

Data Privacy Statement

Protecting your privacy when processing personal data and safeguarding all commercial data is important to us. When you visit our website, we treat the collected personal data as confidential and, of course, in accordance with statutory regulations.

This website uses Google Analytics

Google Analytics – a web analytics service from Google Inc. ("Google") – uses what are known as cookies, that is, text files that are stored on your computer and enable an analysis of your use of the website. The information generated by the cookie regarding your use of this website (including your IP address) is transferred to a Google server in the USA and saved there.

Google will use this information to evaluate your use of the website, compile reports about website activities for the website operator and provide further services relating to the use of the website and the Internet. Google may also forward this information to third parties insofar as this is prescribed by law or if said third parties are to process the data on behalf of Google. Google will under no circumstances associate your IP address with other Google data.

You can block the installation of cookies by making the relevant setting in your browser software; however, be advised that if you do this, you may not have full access to all of the functions on this website.

In using this website, you give your consent to the data collected about you being processed by Google in the aforementioned manner and for the aforementioned purpose.

You can withdraw your consent to the collection of data by Google Analytics with future effect by installing a deactivation add-on (<https://tools.google.com/dlpage/gaoptout?hl=en>) for your browser.

You can block the data capture by Google Analytics by clicking on the following link. An opt-out cookie is set that blocks the future recording of your data when you visit this website:

Use of Siteimprove Analytics

This website uses Siteimprove Analytics, a web analytics service provided by Siteimprove GmbH. Siteimprove Analytics uses "cookies", which are text files placed on your computer, to enable analysis of website use. Information regarding your visit to this website (including the encrypted IP address of the user) generated by cookies is transmitted to a Siteimprove server in Denmark where it is then stored. Siteimprove uses this information to analyze website use and to create reports regarding website activity for the site owner. Siteimprove does not disclose this information to third parties. IP addresses are irreversibly anonymized before any collected data become visible in Siteimprove Analytics. You may prevent the use of cookies by selecting the appropriate settings in your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Siteimprove in the manner and for the purposes set out above. You can prevent your data from being collected and used by Siteimprove Analytics by clicking on the following link. An opt-out cookie will be installed to prevent future collection of your data when visiting this website.

Use of Google Maps

This website uses the "Google Maps API" from Google Inc. (Google) for the visual presentation of maps. When using Google Maps, Google also collects, processes and uses data regarding the use of map features by visitors to the Websites. The terms of service for Google Maps can be found in [Google Maps Terms of Service](#). For further information regarding Google's data protection and privacy policies, please visit: <https://www.google.com/intl/de/policies/privacy/>.

Use of Google reCaptcha

To protect its orders via internet form, the Kaeser Compressors, Inc uses the Google Inc. (Google) reCAPTCHA service. The query is used to distinguish whether input is made by a human or by abusive automated, machine processing. The query includes the sending of the IP address, and any other data that may be required by Google for the reCAPTCHA service, to Google. For this purpose, your input will be transmitted to Google and used there. By using reCaptcha, you agree that the recognition you provide will be used for the digitalization of old texts and works. If IP anonymization is activated on this website, your IP address will be shortened by Google beforehand within member states of the European Union or in other states party to this agreement via the European Economic Area. Only in exceptional cases will the full IP address be sent to a Google server in the USA and shortened there. Google will use this information on behalf of the operator of this website to evaluate your use of this service. The IP address sent by your browser as part of reCaptcha will not be merged with other data from Google. This data is subject to the deviating data protection policies of Google.

For further information regarding Google's data protection and privacy policies, please visit: <https://www.google.com/policies/privacy/>.

Media and Association Partner Tracking

To measure the effectiveness of our advertising and marketing efforts within the industry, we use tracking pixels provided by our media and association partners. These technologies collect information about your visit and interactions on our website to help us understand if our marketing is reaching the intended audience. This data is shared with these partners for the purposes of campaign attribution and to improve the relevance of the information we provide to the industrial community.

Links to external websites

Our web pages include links to third-party websites. Please note that we have no influence on the contents and data security of external websites and the owners of these websites.

Right to information and other rights

Your consent to the collection and use of your personal data will be logged accordingly.

Upon request, we will gladly let you know whether and what personal data are stored on our system. Incorrect data will be corrected upon your corresponding notification. Furthermore, you have the right to revoke at any time your consent to the use of your data with future effect.

Collecting and processing data

When you visit our web pages, our web server saves the IP address of your Internet Service Provider by default. We also register the web page from which you arrived at our page, the date and duration of your

visit and the type of Internet browser and operating system you are using. We use this data for statistical purposes, to diagnose server problems and to improve our Internet service.
